PAYMENT

Tuition holds your weekly time slot in my teaching schedule throughout the year and is required regardless of attendance. Tuition is payable monthly due to the first lesson of the month. Monthly tuition fluctuates based on the number of lesson days each month. Please inform me if you know your schedule in advance if you will miss lessons. Payment may be made by check (payable to Yunghsuan Lo), Venmo (@Yunghsuan-Lo), Zelle (yongsyuan19@gmail.com).

STUDENT CANCELLATION

Your lesson time is reserved exclusively for you. Canceled lessons prior to 24 hours will not be refunded for any reason and will not be rescheduled.

Lessons that Dr. Lo canceled for any reason will be rescheduled or refunded.

PARENTAL INVOLVEMENT

For students under 10 years old, a parent or guardian is expected to attend lessons and help guide daily practice. I would like to gradually phase out parental lesson attendance by age 13 to foster students' ownership of their learning.

PRACTICE

In order to get the most out of lessons and enjoy the feeling of progress, you must commit to daily practice (4 days per week minimum) or be ready to fulfill the teacher's expectation. Please read your practice assignments every week, and don't hesitate to let me know if you have any questions.

RECITALS

There will be at least one studio recital per year, and all students are encouraged to perform. A fee of no more than \$50 will be collected before the recital to pay the accompanist for his/her time and to rent the recital space. Specifics will be provided closer to the recital date.

SUMMER FESTIVAL (CMI 210)

Dr. Lo highly encourage students to take part in the CMI 210 Festival, a captivating 3-week program designed for violinists. This intensive experience encompasses ensemble skill development, orchestral performance, engagement in chamber music, and personalized guidance from a distinguished maestro.

Competitions and Auditions:

For any upcoming violin competitions or auditions, it is essential to consult with me. This ensures optimal preparation, enhances performance outcomes, and allows for effective planning tailored to your child's needs.

NAIL CARE

Maintain impeccable playing conditions by promptly trimming your nails. Long nails compromise precision and degrade sound quality. Regular, proactive nail care is mandatory for optimal performance standards.
